

5-DAY DANCE WORKSHOP AT UPENDRANATH BRAHMA M.E SCHOOL

We recently enjoyed being a part of and organizing a dance workshop from the 13th to the 17th of November, 2023.

Apart from the fun and frolic, the workshop conducted had the following objectives:

- 🌱 An opportunity for the students to learn a new skill.
- 🌱 Hands-on workshops provide experiential learning.
- 🌱 Motivate and inspire the children to be part of creatively expressing themselves.

We would like to extend our gratitude to Ms. Rashmi Rekha for being an encouraging dance guide/teacher to all the children of the Forest Fringe School.
