From the 13th to the 17th of November 2023, the Assam Investment Advisory Society (AIAS) organized a dance workshop for Forest Fringe School Students, aiming to impart new skills and foster creative expression. Conducted by dance experts, the workshop engaged 50-60 students from classes IV to VIII in various dance forms.

Beyond the joy and entertainment, the workshop had specific objectives:

- To provide students with an opportunity to learn a new skill
- Offer experiential learning through hands-on workshops
- Motivate them to creatively express themselves.

Gratitude is extended to Ms. Rashmi Rekha Basumatary, who led the workshop as an encouraging dance guide and teacher. Her contribution played a vital role in making the workshop a meaningful and enriching experience for all the children of Forest Fringe School.
